What does the Ballycastle Chamber of Commerce offer you:

Connections:

Joining the Chamber gives you great opportunities for networking with like-minded businesses to let you develop new contacts and strengthen existing business relationships.

Business Solutions:

Throughout the year, the Chamber organises and publicises a range of events and functions that offer expertise and advice on important issues that matter to your business.

Promotion:

Your membership instantly gives you a presence on the Chamber website and inclusion in Chamber publications that offers you real exposure to potential customers in the Moyle area and beyond.

Lobbying Support:

The Chamber has a great working relationship with Moyle District Council, all our local MLA's and many government departments. The Chamber acts as a means of getting our member's voices heard on the issues that matter.

Community Support:

The Chamber works hard to support and promote local community groups, initiatives and charities wherever possible because our member's rely on the support of the local community.

If your business would like to join the Chamber of Commerce, please see below the fees for membership for 2013/14 and complete the form below with all your relevant business details.
